## Stockton School Games 2019

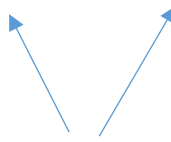

The annual Stockton school games took place on Tuesday 14<sup>th</sup> May at Grangefield school. Students from Years 7-9 competed in a range of sports during the day. The **Year 8 boys cycling team won** their event and will go on to represent Stockton at the Tees Valley Games in June. Other success came in the Archery where Northfield archers won the gold medal beating Grangefield school in the final. The Year 9 girls Netball team also won their event winning every match played.

The **Year 8 girls cycling team finished in second place**, and the Year 7 Dodgeball and Ultimate Frisbee teams both finished 5<sup>th</sup> out of 10 schools.

As well as scoring points for competing in events, competitors were also awarded points for demonstrating the School Games Values of determination, team work and honesty during their events. Northfield did very well here coming first for determination, and second for both teamwork and honesty

After combining all results Northfield came out victorious by a big margin of 20 points.

It was a very enjoyable day for all who took part and we wish the Year 8 boys cycling team every success in the next round!

**Archery**

## Ultimate Frisbee

Girls – E Provelt, E. Thompson

Boys – T. Matthews, J. Johnson
