### **Profound and Multiple Learning Difficulties Panathlon**

The Tees Valley wide PMLD Panathlon event for young people with physical and learning needs and disabilities had 36 young people from 5 Tees Valley Special schools including Ash Trees Academy in Billingham. The event also had 12 exceptional Sports Leaders from Northfield School who were well organised, adaptable and managed to communicate effectively with students who had little or no verbal communication methods.

Emma Turnbull, the Partnership Development Manager was approached by staff who said how fantastic the leaders were and how they worked at the right level with their pupils. The staff member even told the leaders how great they were! Event organisers Panathlon said how outstanding the leaders were and they would love to use them again

### **STOCKTON AND DISTRICT SCHOOLS FOOTBALL ASSOCIATION CUP**

On Friday 24<sup>th</sup> May the SDSFA Cup Finals Day were held and the top two teams from each league competed for the SDSFA Cup at Stockton Sixth Form College.

### **CONGRATULAIONS YEAR 9**

The Year 9 football team played exceptionally well against a good Eggescliffe team but came out on top to win 3 – 1. Northfield goal scorers were Louie with 2 and Dyfan with 1.

Unfortunately, our Year 7 football team were beaten by a quality Eggescliffe team who produced some excellent football to win 5-0. Northfield had several good opportunities to apply some pressure but a combination of good defending and excellent attacking from the victors meant Northfield had to settle for being beaten finalists.

The Year 8 football team played some outstanding football and dominated the game, hitting the woodwork 3 times through Richie and Jack who were outstanding throughout. Unfortunately, Northfield could not find the breakthrough and were beaten 1-0 with a counter attack goal in the last 5 minutes when pushing for a winner.
