Northfield School is a large 11-16 school and specialist sports college. We are an ambitious and inclusive school with state of the art facilities and interactive technology in a well-resourced newly refurbished main building and a separate new Year 7 school.

Following an inspection in January 2020, Ofsted judged that the school continues to be good and acknowledged all the positive work being undertaken to improve it further. This is a great time to join the school.

We wish to appoint a highly motivated and inspirational teacher of Science. The successful candidate will teach across the Key Stages and will have the necessary subject knowledge, drive and determination to raise achievement for all pupils.

The appointed candidate will join a dedicated and supportive team, which is very well led and managed.

### **We can offer you:**
